The results are from wednesday training, where one race (or combination of disciplines) each evening is counting and included in this score sheet. Helm and crew onboard are individually scored the race result of their boat.

In case it is not possible to complete the planned competition - all present participants are given a redress score (average of all other results in their series). This principle is introduced in order to reward presence. Missing treat for the other boats will result in DSQ score for responsible helm and crew.

RRS Appendix A2: Each boats score will be the sum of it's points from each race, except it's worst results.

Scoring codes used
