The results are from wednesday training, where one race (or combination of disciplines) each evening is counting and included in this score sheet. Helm and crew onboard are individually scored the race result of their boat.

In case it is not possible to complete the planned competition - all present participants are given a redress score (average of all other results in their series). This principle is introduced in order to reward presence.

RRS Appendix A2: Hver båds pointtal i serien skal være summen af dens point i de enkelte sejlads, fratrukket dens dårligste resultat.
